

Notes on invitation letter

Please note that an invitation letter will be provided upon request for those who have registered for the symposium.

Once you have paid the registration fee or submitted an abstract for a presentation, you may contact the organizing committee via email at CAME_ISMEAsia@163.com to request an invitation letter. Please include your full name, relevant information about your institution, passport information (if necessary), the title of your abstract submission (if applicable), and the specific reason you need the letter. Attaching proof of registration may expedite the process and ensure your request is handled efficiently.

If you need an invitation letter to obtain a visa, please clarify the visa requirements so that we can prepare a letter that meets them.

If all the provided information is correct, an official invitation letter to the conference will be issued within one week.
